PARKING AND TRAFFIC PATTERN

Because of road construction on Ochre Point Avenue, all students are requested to observe the construction barricades placed along the avenue for parking restrictions and traffic control. Parking within the barricades could result in damage to your vehicle by the construction equipment. Parking has been made available on the Wakehurst grounds, for students who have registered their car with the College Security Department. Registration may be made at the Security Office in the basement of Miley Hall.

Upon completion of construction work along Ochre Point Avenue, the traffic pattern within the area of Angelus, McAuley Hall and O'Hare Academic Center will be changed to one-way. Traffic will enter the campus at Marion Hall and exit at the Gatehouse onto Ochre Point Avenue. Appropriate signs will be installed indicating the traffic pattern.

ATTENTION ALL JUNIORS

Prior to the conclusion of the Fall semester, it is essential that each junior level student have on file a form officially declaring his/her major and minor fields of concentration. Forms for this purpose are available in the Offices of the Dean of Students. The accurate completion of this form assures the student of a clear understanding of his/her requirements and serves as a means by which the chairman of each department may make projections for course offerings. Please make every attempt to complete this procedure before December 1, 1976. Your cooperation is appreciated.

UNITED WAY - GIVE YOUR FAIR SHARE

What is "Fair Share"?

The Fair Share share scale is a suggested giving guide based on actual giving patterns of individuals in our community. In considering your contribution this year, it is important to reflect on the giving of your fellow citizens. The success of the United Way is a total community responsibility. Your Fair Share gift will encourage others to give their Fair Share. Knowing the full story of the needs in your community will help you decide your Fair Share. Remember, if your gift is higher than the average, the difference is a silent tribute to your personal generosity and kindness to others.
